Gray Davis
Governor

TO: Interested Parties
FROM: Samuel Unger
TMDL Unit 2 Chief, Regional Programs Section
LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD

DATE: August 30, 2001

SUBJECT: STATUS OF BASIN PLAN AMENDMENT FOR A TMDL FOR CHLORIDE
FOR THE UPPER SANTA CLARA RIVER

A public meeting is planned to discuss the status of the basin plan amendment for a TMDL for chlorides to be presented to the Regional Board on December 13, 2001. The goal of the TMDL is to maintain the water quality objective of 100 mg/L downstream of Santa Clarita while protecting all beneficial uses. The status of ongoing quality assessment of surface and groundwater along the Santa Clara River will also be discussed. All participants are invited to give comments on the TMDL and the monitoring plan. Our thanks again to the County of Ventura for allowing us to schedule this meetings in their facilities.

Upper Santa Clara River Basin Plan Amendment For a Chloride TMDL

Thursday, September 6, 2000, 1:00 to 3:00, at the
Ventura County Administration Building, 3rd Floor, Room 331
(to the right at the top of the escalator from the main lobby)
800 South Victoria Blvd., Ventura

Should you be aware of interested parties who are not on the distribution list, please extend an invitation to them to participate in our meeting. If you did not receive an electronic version of this announcement on the mailing date and would like to be included on an electronic mailing list, please send an email with your electronic address to eerickso@rb4.swrcb.ca.gov. We look forward to your continued participation in our efforts to protect water quality. Please call Jon Bishop at (213) 576 6622, Samuel Unger at (213) 576 6782 or Elizabeth Erickson at (213) 576 6683 should you have any questions

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption
For a list of simple ways to reduce demand and cut your energy costs, see the tips at: <http://www.swrcb.ca.gov/news/echallenge.html>

Recycled Paper

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
